Greetings from Congresswoman Barbara Lee

On behalf of the constituents of the Ninth Congressional District, I send congratulations to all the wonderful Grandparents celebrating National Grandparents Day!

All across the country, Grandparents are being celebrated for the role they play in the lives of their grandchildren. Thank you for providing our young people with the guidance and nurturing they need to become productive citizens in our communities. I would also like to give a special commendation to the Grandparents who are actively raising their grandchildren. Thank you for all that you do.

I send my best wishes to all in attendance today and thank you for your commitment and dedication to our young people.

Sincerely,

Barbara Lee
