**Generations United** is home to **The National Center on Grandfamilies**, a leading voice for families where grandparents and other relatives are raising children. The Center produces an annual report on the **State of Grandfamilies in America**. The 2017 report focuses on the critical role of grandparents and other relatives in providing safe, nurturing and stable homes for children who have experienced trauma. **For more information, visit [www.gu.org](http://www.gu.org).**
